ABOUT ENDURANCE

In an age where many high-adrenaline sports have become watered-down exercises in marketing, dirt bike racing remains intensely raw; a dangerous enterprise populated with a colorful, profane cast of daredevils. Ortolani applies an artist's eye to this unforgiving sport and the riders who pursue it, resulting in an unprecedented, behind-the-scenes window into this punishing competition.

ENDURANCE offers embedded access to the races, the travel, the preparation, and a scope that spans three years worth of WEC, GNCC and Enduro races across the U.S. and Europe. Ortolani traveled thousands of miles to more than 10 events in three different countries, in the process capturing Nathan Kanney's ascent from underdog privateer to KTM Factory Team rider — an achievement that required beating world champions riding bikes three times the cost of his.

ENDURANCE includes photographs of Kanney's world-champion competitors and teammates including David Knight, Kailub Russell, Corey Buttrick, Homero Diaz, Ryan Mills, Anders Eriksson and Bartosz Oblucki, with a cameo appearance by Travis Pastrana. Among the contributors are Nathan Kanney, Jerry Bernardo, Carrie Coombs Russell, Jason Weigandt, Kailub Russell and Corey Buttrick.
